ref: FG-013/2017

To: **EUROPEAN FEDERATIONS  
RINK-HOCKEY EUROPEAN CLUBS**

C/C: **CERS PRESIDENT - MR. FERNANDO CLARO**

From: **CERS-RH PRESIDENT**

Date: **2017, June 18**

Subject: **EUROLEAGUE 2017/2018 - CLUB INSCRIPTION "SHARES" BY FEDERATION**

Dear Sirs:

1. The participation in the European League is reserved for the affiliated clubs of the Federations of England, France, Germany, Italy, Portugal Spain and Switzerland, having in mind that they have an effective capacity to organize annually their own national championships.
2. First, it is important the most relevant issues established by the regulation in force concerning the definition of the participation inscription "shares" allocated to each National federation.
  - 2.1 The "maximum" number of shares by Federation amounts to 4 participating clubs, where are included:
    - The National Champion in title;
    - The Euroleague Champion (*if it happens that this is a club other than the national champion title*)
  - 2.2 Only the points obtained in the men's club competitions - **EURO LEAGUE** and **CERS CUP** – will be considered for the determination of the annual "rankings" of the European clubs and federations.
  - 2.3 The "heads of each group series" will be established by **CERS-RH**, according with the following criteria:
    - 2.3.1 The Euro League Champion will always be the "head" of the Group "A";
    - 2.3.2 The other 3 "head" of Group will be clubs that belong to the Federations that have the 3 remaining highest "shares", taking into consideration that:
      - The 1<sup>st</sup> priority must be given to the National champions in title of those Federations;
      - The 2<sup>nd</sup> priority will be given to the club with the highest European ranking between the other participant clubs of the National Federation in question.
3. In calculating the annual "rankings" of Clubs and Federations, each participating club will be valued according to their sporting performance, according to the following "table of points" to be awarded:

Phase achieved by the club	Awarded points
Winner	<b>50 pts</b>
Final looser	<b>40 pts</b>
1/2 final looser	<b>30 pts</b>
1/4 final looser	<b>25 pts</b>
Group Phase - 3rd.	<b>20 pts</b>
Group Phase - 4th.	<b>15 pts</b>

Phase achieved by the club	Awarded points
Winner	<b>25 pts</b>
Final looser	<b>20 pts</b>
1/2 final looser	<b>15 pts</b>
1/4 final looser	<b>10 pts</b>
1/8 final looser	<b>6 pts</b>
1/16 (prelim.) looser	<b>3 pts</b>

## President Communication / Comunicado do Presidente

ref: FG-013/2017

4. The annual rankings of clubs/Federations are determined by **the sum of the points awarded by each participating club during the previous four sporting seasons (\*)**, but without taking into account the points awarded in the last season, that is the one that occurred immediately before.

**(\*) Important note/example:** The "ranking" available for the definition of the "inscription quotas" of the Euroleague of the 2017/2018 sporting season, will not take into consideration the points awarded in the sporting season of 2016/2017.

In fact, the ranking for the **2017/2018 Euroleague** will the sum of the points obtained by the participating clubs in the Euroleague and in the CERS Cup, during the sporting seasons of **2015/2016 + 2014/2015 + 2013/2014 + 2012/2013**.

5. Then and having in mind the detailed calculations presented in the Annex of this Communication, I want to call your special attention to the following information:

**7.** It should be remembered to all Federations that it is not allowed in the EUROLEAGUE the inscription of any club that:

- 7.1** Is not qualified and/or not registered by the National Federation of its affiliation
- 7.2** Did not participate in the Championship of the highest level of the Federation of their own country, during the sporting season that was held immediately prior to the edition of the EUROLEAGUE in question
- 7.3** Will not compete – *due to their relegation to a lower level* – in the Championship of the highest level of their country during the sporting season of the EUROLEAGUE in question.

**8.** **CERS-RH** established the date of **2017, August 15** as the deadline for the National Federations undertake – *having in mind their allocated "shares", as defined in paragraph 5.3 of this Communication* – the inscription of their affiliated clubs in the 2017/2018 EUROLEAGUE, taking into consideration that:

- a)** All the information related with the inscription of the European clubs must be addressed (*or requested*) to **LLUIS FERRER** (*CERS-RH Vice President for competitions*) and/or **SUSANA PANDAVENES** (*CERS-RH Vice Secretary,*)
- b)** According to the rules in force, CERS-RH cannot accept the inscription of the any European club that has pendent due before CERS-RH and/or before CERS, a situation that must be duly controlled by their affiliated Federations before the sending of the above referred pre-inscriptions.

**With sporting regards**

Data: **18 de Junho de 2017**

Assunto: **EUROLIGA 2017/2018 - “QUOTAS” DE INSCRIÇÃO DE CLUBES POR CADA FEDERAÇÃO**

### Exmºs Senhores:

1. A participação na Liga Europeia está reservada aos Clubes filiados nas Federações da Alemanha, de Espanha, de França, de Inglaterra, de Itália, de Portugal e da Suíça, tendo em atenção a sua capacidade efetiva para organizar anualmente os seus próprios campeonatos nacionais.
2. Em primeiro lugar, é importante as questões mais relevantes estabelecidas pelo regulamento vigente relativo à definição das “quotas” de inscrição atribuídas a cada uma das referidas Federações nacionais.
  - 2.1 A quota “máxima” permite a participação de um máximo de 4 clubes filiados em cada Federação Nacional, incluindo obrigatoriamente neste número:
    - o Campeão Nacional em título;
    - o Campeão em título da EUROLIGA (se acontecer que este clube não seja também o Campeão Nacional em título)
  - 2.2 Apenas os pontos obtidos nas competições masculinas – EUROLIGA e TAÇA CERS – serão considerados para efeito da determinação dos “rankings” anuais dos clubes e federações europeias
  - 2.3 Os clubes que são considerados como “cabeças de série” da cada um dos 4 grupos da EUROLIGA serão definidos pelo CERS-RH, de acordo com os seguintes critérios:
    - 2.2.1 O Campeão em título da EUROLIGA será sempre o “cabeça de série” do Grupo “A”;
    - 2.2.2 Os outros 3 “cabeças de série” dos Grupos “B”, “C” e “D” serão os clubes filiados nas Federações que detenham as 3 “quotas” de valor mais elevado, tendo em atenção que:
      - A 1<sup>a</sup> prioridade tem de ser dada ao Campeão Nacional em título dessas Federações;
      - A 2<sup>a</sup> prioridade será concedida ao clube que detém a melhor posição no Ranking Europeu, relativamente aos demais clubes inscritos pela Federação Nacional em questão.
3. No apuramento dos “rankings” anuais de Clubes e Federações, cada Clube participante será valorizado em função do seu desempenho desportivo, de acordo com a seguinte “tabela de pontos” a atribuir”:

Fase atingida pelo Clube	Pontos atribuídos	
EUROLEAGUE	Vencedor	50 pts
	Finalista vencido	40 pts
	vencido nos 1/2 Final	30 pts
	vencido nos 1/4 Final	25 pts
	Fase de Grupos-3º lugar	20 pts
	Fase de Grupos-4º lugar	15 pts
CERS CUP	Vencedor	25 pts
	Finalista vencido	20 pts
	vencido nos 1/2 Final	15 pts
	vencido nos 1/4 Final	10 pts
	vencido nos 1/8 Final	6 pts
	vencido-1/16 Final (Prelim.)	3 pts

- 4.** Os rankings anuais de clubes/Federações são estabelecidos pela soma dos pontos atribuídos a cada clube participante durante as quatro épocas desportivas anteriores (\*), mas sem levar em conta os pontos atribuídos na temporada imediatamente anterior.

**(\*) Nota importante / exemplo:** O "ranking" disponível para a definição das "quotas inscrição" da EUROLIGA da época de 2017/2018, não integra os pontos relativos à época de 2016/2017.

De facto, the ranking para a Euroliga de 2017/2018 corresponde à soma dos pontos que foram atribuídos a cada clube participante nas competições da Euroliga e da Taça CERS nas épocas desportivas 2015/2016 + 2014/2015 + 2013/2014 + 2012/2013.

- 5.** Em função dos cálculos detalhados apresentados no **ANEXO** deste Comunicado, foram apurados os seguintes resultados:
